Bridging the Gap

We need you!!!!!!!

The purpose of Bridging the Gap (BTG) is to assist the new member being released from a treatment center or correctional facility in making a successful transition to Alcoholics Anonymous in the community where they will be living. As you know, one of the more “slippery” places in the journey to sobriety is between the exit door of the facility and the nearest A.A. meeting.

If you are interested in doing real 12th Step work and have a desire to be of service in Alcoholics Anonymous, Bridging the Gap may be just what you are looking for.

On the day of release, BTG volunteers (whom work in teams) will contact the newcomer and meet him/her at up to three meetings in their home community. Men are referred to men; women to women.

We introduce the newcomer to other A.A.s, insure that they get phone numbers of several A.A. members for support and share our experience of sponsorship and the value of a home group.

If you would like to be a part of this service please:

- Fill out an application at www.district21cna.org, click Bridging the Gap. Email to: btg@district21cna.org
